# COOKING FOR A CAUSE CULINARY COMPETITION

**LIVE** Culinary Competition Pairing a Local Chef and Celebrity.  
Professional Judging & Awards.

During the event, three teams of paired local chefs and celebrities will have 30 minutes each to prepare and plate a gourmet dish using a provided main protein. At the close of the evening, awards will be presented for the live competition and the restaurant tasting stations.

## RESTAURANT ENTREE STATIONS

Up to 15 local restaurants will serve a dish of their choice at tasting stations throughout the Culinary & Event Center. A stipend will be provided. The public will vote for their favorite dish! Participating restaurants must set up their stations and serveware. Tasting plates, utensils and napkins will be provided.

**The goal of *Cooking for a Cause* is to provide a fundraising opportunity for local non-profits who need a boost to raise public awareness of their mission. Each year, at least two non-profit organizations will be selected to benefit, provided they can commit to supporting the event planning and volunteer needs.**

**In addition, the first-place chef and celebrity team can designate a charity of their choice to receive a portion of the proceeds raised. Chef and Celebrity teams will rotate annually to provide opportunities to those who may wish to participate.**
